Jill Goldberg, Communications Program Manager at Georgia Department of Transportation, serves as the department's liaison for all Georgia Express Lanes projects around metro Atlanta as well as the larger Major Mobility Projects. Jill has been with Department for 10 years, working on projects including I-85/SR 400 Flyover Ramp, Transform 285/400, the I-75 South Metro Express Lanes and the I-85 Rebuild. Prior to joining the Department, she worked at the Georgia Department of Economic Development. Jill studied business at the University of West Georgia, graduating with a Bachelor of Business Administration.
