February Luncheon

Georgia Department of Transportation

Walt Taylor, PE GDOT State Project Review Engineer

Walt is the State Project Review Engineer for the Georgia Department of Transportation and manages the Office of Engineering Services. His office provides multi-disciplinary support and oversight to the development and delivery of GDOT projects. He has been with GDOT for over 23 years with a background in roadway design, plan review, policy development and compliance. He is a graduate of Clemson University and is a registered professional engineer in the State of Georgia.
