3D Modeling Delivery Updates

Ravi Vachhani, PE
Senior Transportation
Engineer

Chase Horton, PE
Project Manager

Ravi Vachhani, PE is a transportation engineer at Moffatt & Nichol, with experience as a project manager and lead in operations design. His background in design oversees roadway, intersection and interchange, trail, safety, operations, complete streets, intramodal, and ports projects. He currently serves on the American Society of Highway Engineers (ASHE) GA executive board as Co-Treasurer as well as on the American Council of Engineering Companies (ACEC) GA GPTQ Digital Delivery sub-committee. Ravi has been an active mentor and mentee in the Georgia transportation community, and a former mentee in the ACEC GA mentoring program.

Chase Horton, PE serves as a Project Manager in the Transportation Design Group at HNTB. A graduate of Auburn University, Chase has played a key role in advancing digital delivery practices within the transportation industry in Georgia through his involvement with the ACEC Georgia Partnership for Transportation Quality (GPTQ), serving on both the 3D Modeling Subcommittee and the OpenRoads Task Force. Chase currently serves as Co-Chair of the GPTQ Digital Delivery Subcommittee, where he continues to lead efforts in modernizing infrastructure design for GDOT.
